**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I live in the middle of Silicon Valley and yet have slower and more expensive internet than many places around the world. We need to stop letting ATT distort the market to their advantage and instead reward people and companies who innovate. Stop rewarding companies that succeed by throwing a monkey wrench in the market to keep the market stagnant, but in their favor. This kind of rent-seeking is the antithesis of a free market.
